

Innovative concepts for the implementation of digital solutions in companies

Иновативни концепции за въвеждане на цифрови решения във фирмите

Nikolinka Hinkova

June 24th, 2021

Why should we implement digital solutions?

How?

**Същественият фактор на
успеха е
СЪТРУДНИЧЕСТВОТО**

***The essential success factor is
COLLABORATION***

**Подкрепа на
икономиката на
високата добавена
стойност**

Supporting the high added value economy

What?

In training

Creating new digitally skilled specialists; re-skilling and up-skilling

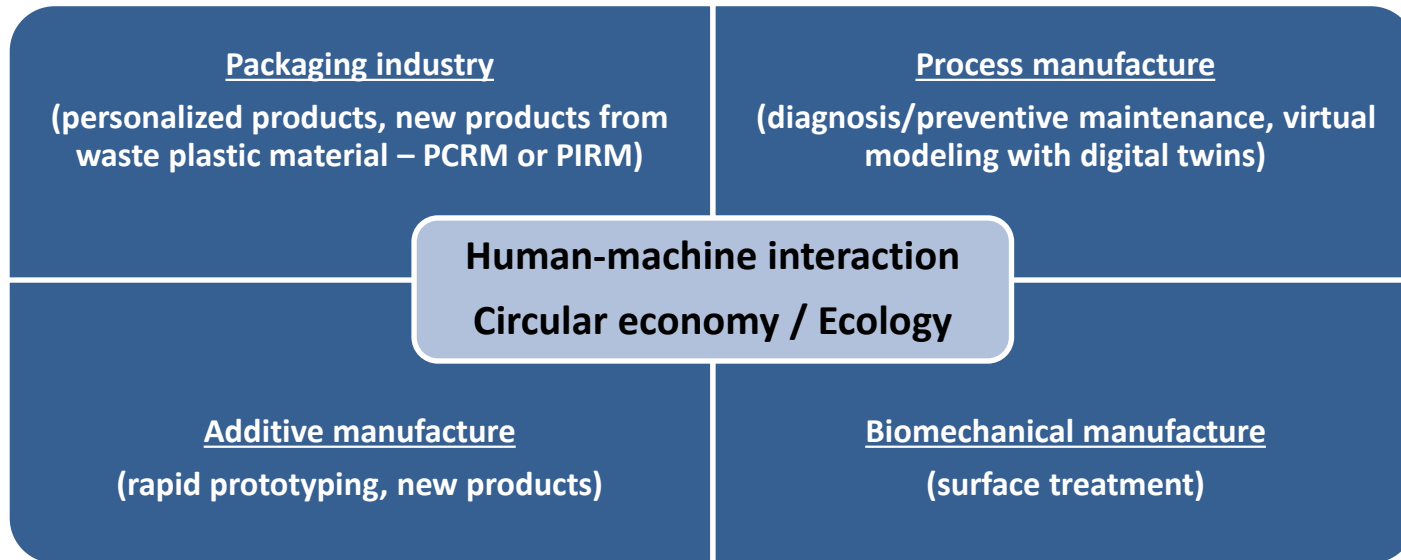

Digital workplace with changed learning and culture

What?

In production

Storage optimization
to save resources, materials

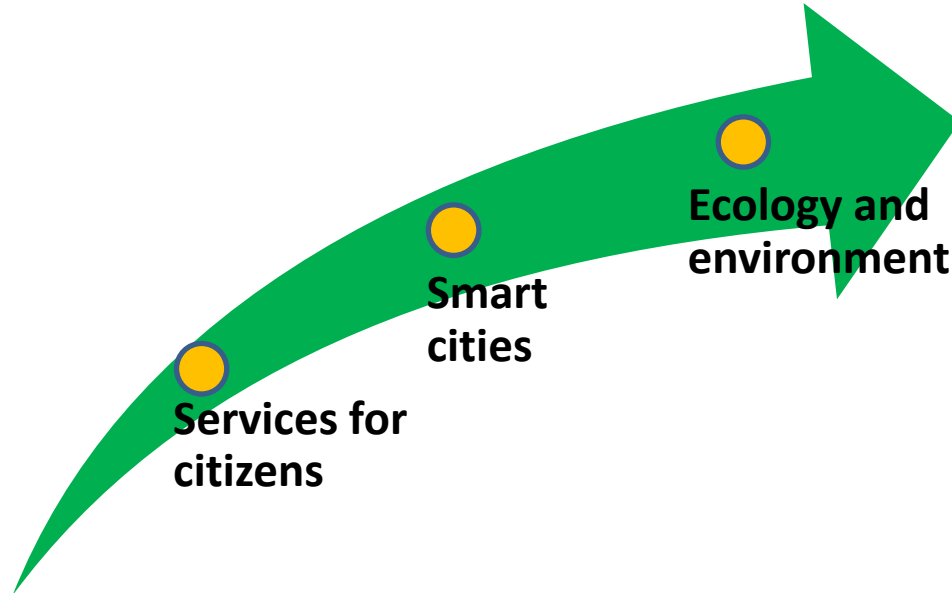

Cloud computing

Supplier interaction
Build CRM system

IoT подпомага връзките
доставчик – производство
и производство - клиент

What?

In public administration
